Regional Director

Madam:

This refers to our project Construction of Local Access Road at Villa FMR in Brgy. Villa of this municipality.

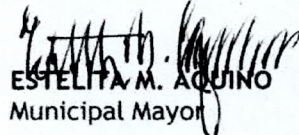

We would like to humbly remind that our LGU could only provide a 5.20m Road Right of Way to include both shoulders.

We had however tried our best to convince the lot owner to add 0.8m more to complete what is required but to no avail.

With this, we hope that the present road right of way will suffice and warrant the construction of our Farm to Market Road.

Thank you so much and I wish you well.

Very truly yours,

ESTELITA M. AQUINO
