WHEREAS, under the condition that the BFP National Headquarters would be allotting budget for the construction of a new fire station, the LGU of Moncada allowed BFP to utilize the old PNP building and dedicate its lot for the construction of a new fire station. However, nearly two years from the execution of the *Deed of Usufruct*, the BFP National Headquarters has not provided funding for the construction of a new fire station;

WHEREAS, considering that one of the LGU's priority agenda is to institutionalize its Business Permits and Licensing Office (BPLO) which would require the construction of a corresponding physical office, it is exigent that the old PNP building that houses the existing fire station be repurposed for BPLO and to that effect, the ownership of the lot shall be reverted to the LGU to consummate such purpose;

WHEREAS, on September 23, 2022, the SB received a letter of intent requesting that authority be granted the Local Chief Executive, Honorable Mayor Estelita M. Aquino, to enter into a Deed of Exchange with the BFP to which a portion of LGU's property located at Brgy. Camangaan East shall be appropriated for their proposed fire station;

WHEREAS, taking into account the need to rationalize the use of LGU's properties to establish new office buildings, the Committee on Land Use favorably endorses the execution of a deed of exchange between the LGU and BFP;

NOW, THEREFORE, premises considered and on motion by Coun. Celeste A. Ayson, duly seconded;

RESOLVED, that this Sanggunian, acting on the favorable recommendation of the Committee on Land Use, hereby authorizes the Municipal Government of Moncada, through the Honorable Mayor Estelita M.
